Manjilas, the mother brand of Double Horse, was founded in the year 1959, as a rice milling company selling high-quality rice grains. It revolutionized the food sector in Kerala by becoming the first ISO 9001:2000 certified Rice Mill in the state and the first food brand to introduce sortex rice, stone less rice and color grading.

Inspired by the support of its customers and foreseeing the potential for traditional food that's made easy to suit today's busy, modern lifestyle, Manjilas Double Horse started introducing

After countless trials & errors and intensive testings by grooming professionals, they now have a product line that everyone is happy with.
